**Dear Comrades,**  
**On behalf of the Oceania Preparatory Committee “Gathering -2017 Praise to the Great Persons of Mt Paektu” the two joint secretaries extends to the African Regional E. Seminar best wishes and solidarity greetings and remain convinced that your seminar will be highly successful and inspire the African people to greater heights in providing solidarity support to the Korean people.**

**In preparation for the forthcoming August 5<sup>th</sup> International Festival of Mt Paektu “Praise to the Great Persons of Mt Paektu” successful E. Seminars have been held in many parts of the world clearly demonstrating that the Korean people do not stand alone in their just struggle for independence, peace, socialism and reunification of their nation against the hostile policies of US Imperialism.**

**The revolutionary exploits and leadership of the eternal President Kim IL Sung remain sacred within the hearts and minds of all the Korean people and the world progressive forces. During the period of the struggle for national liberation against the Japanese Militarist colonialism President Kim Il Sung concluded that arm struggle must be met with “Force of Arms” and for the first time Sungun Politics became a main feature of the Korean people struggle for national liberation.**

**At the 7<sup>th</sup> Congress of the WPK held in May 2016 Marshall Kim Jong Un announced the adoption of the “Byunjin” a new strategic policy guideline of simultaneously strengthening the DPRK economy and nuclear deterrent, one could not argue that this policy represents a quantum leap of Eternal President Kim IL Sung Songun politics.**

**Let us unite and organize a mass gathering of world progressive forces to “Praise to the Great Persons of Mt Paektu” in August 2017.**

**With best wishes and solidarity greetings.**
