*To African & Arabian Regional E-seminar
on the occasion of the 28th anniversary of
the demise of the great leader Comrade **Kim Il Sung***

Dear friends,

Korea-Asia Pacific Exchange would like to extend heartfelt thanks to the African Regional Committee For Friendship and Solidarity with the Korean People and the Arabian Regional Committee For Friendship and Solidarity with the Korean people for co-hosting the E-seminar, "**Kim Il Sung**, the Peerlessly Great Person" on the occasion of the 28th anniversary of the demise of the great leader Comrade **Kim Il Sung**.

Comrade **Kim Il Sung** was a great leader who delivered undying achievements to the Korean revolution and the cause of global independence till the very last moment of his lifetime since he embarked upon the road of revolution at the very young age of his teenage.

He authored the immortal Juche idea, the guiding ideology of the independent age and defeated the worst two imperialist forces within just one generation; he built invincible socialist Korea with sovereign, self-sufficient and self-defensive character and devoted tireless efforts to handing over reunified Korea to the later generations.

While enhancing the friendship and unity with the socialist countries, he made an example of ennobling internationalist spirit by rendering disinterested assistance and cooperation to the developing countries and newly-independent countries which aspire after independence, peace and justice, especially to the African countries and people, thus making distinguished contribution to the cause of anti-imperialism and independence and the development of the world revolution.

We remain confident that the on-going E-seminar will serve as a significant opportunity to reaffirm that the great leader Comrade **Kim Il Sung** will live forever as the sun of humankind in the mindset of not the Korean people but the world's progressive peoples for his giant achievements unparalleled by anyone, as imperishable as the sun of the universe.

At the same time, the E-seminar will also be a platform to give wide publicity to the proud reality of Korea which is dynamically marching towards to the comprehensive development of socialism under the wise leadership of Comrade **Kim Jong Un**, President of State Affairs of the DPRK who is creditably carrying forward the great ideology and exploits of the great leader Comrade **Kim Il Sung**. Meanwhile, it will demonstrate the will of your regional committees to promote the positive cooperation in invigorating the activities of friendship and solidarity with Korea as required by the developing reality.

We would like to express our thanks again to all the friends in Africa and Arab for initiating this round of E-seminar and holding it with success.

Best regards.
