The E-seminar held on the theme of "**Kim Il Sung: Peerlessly Great Man**" served as a significant occasion to show that the image of President **Kim Il Sung** as an illustrious great man, who performed great exploits ever shining for the times and history of humankind with his remarkable ideological and theoretical intelligence and outstanding leadership, is remembered for all ages in the hearts of the world's progressive peoples as the image of the sun, even though time has passed and century has changed.

President **Kim Il Sung**, who clearly illuminated the road ahead of the progressive mankind by founding the immortal Juche idea, devoted his all to building a new and independent world by frustrating the imperialists' machination for aggression and domination in solid unity with the oppressed people of the world, to the last moments of his life.

We are convinced of the victory of the Juche idea from the indomitable fighting spirit and stamina of the Korean people, who are advancing along the road of socialism unflinchingly against all challenges and trials of history, while having greater respect for President **Kim Il Sung** enshrined in their hearts.

The idea and cause of President **Kim Il Sung**, who led the 20th century and accumulated the enormous exploits before the times, were further carried forward by Leader **Kim Jong Il** and are now shining more brilliantly by Your Excellency **Kim Jong Un**.

Thanks to your wise leadership, the Korean people are conducting struggle full of confidence and vitality without any political uneasiness and vacillation despite the imperialists' heinous sanctions and pressure and the world health crisis.

The seasoned leadership of the WPK led by Your Excellency and the superiority of Korean-style socialism constitute the basic factor enabling the DPRK to achieve remarkable successes in the great campaign to prevent epidemic to completely block and wipe out the source of spread of the malignant infectious disease.

We firmly affirm that we will fulfill our responsibility and duty in strengthening friendship and solidarity with the Korean people, in confidence that the future of **Kim Il Sung's** and **Kim Jong Il's** Korea is bright and rosy and the beautiful dream and ideal of Korean people will surely come true, thanks to Your Excellency **Kim Jong Un**, the peerlessly great man.
