Kim Yo Jong Releases Press Statement

Pyongyang, June 22 (KCNA) -- Kim Yo Jong, vice department director of the Central Committee of the Workers' Party of Korea, released the following press statement on June 22:

I heard the news that the U.S. National Security Advisor had mentioned that he regards the position towards the U.S. as an "interesting signal", which the Plenary Meeting of the Central Committee of the Workers' Party of Korea clarified this time.

A Korean proverb says that "In a dream, what counts most is to read it, not to have it."

It seems that the U.S. may interpret the situation in such a way as to seek a comfort for itself.

The expectation, which they chose to harbour the wrong way, would plunge them into a greater disappointment. -0
