Respected Comrade Kim Jong Un Meets with KPA Medics and Makes Congratulatory Speech

Pyongyang, August 19 (KCNA) -- **Kim Jong Un**, general secretary of the Workers' Party of Korea and president of the State Affairs of the Democratic People's Republic of Korea, on Thursday met and congratulated medics of the Korean People's Army (KPA) who fulfilled their sacred duty of defending the capital city and the people and performed undying feats in the top-level emergency anti-epidemic campaign.

The KPA medics gathered at the April 25 House of Culture on a special order of the respected Comrade **Kim Jong Un**. The house was overflowing with great emotion and joy of those medics awaiting the time of honor and happiness when they would meet with **Kim Jong Un** whom they had

wanted so eagerly to see only once while conducting the fierce war to exterminate the malignant virus with readiness to sacrifice themselves.

When **Kim Jong Un** appeared on the platform of the house, the stormy cheers of "Hurrah!" was raised at the venue.

The soldiers discharged their bounden duty as the army of the Party and the people, but **Kim Jong Un** highly praised their efforts and struggle as heroic feats to be specially recorded on the militant course of the KPA. And to give more love to them, he called them to the significant venue so as to put them forward again before the eyes of the whole country and the whole world and congratulate them again. So, all the participants were replete with boundless gratitude to him.

Kim Jong Un made a congratulatory speech.

Noting that the army medics took the greatest trouble to defuse the anti-epidemic crisis in the capital city, he gave warm thanks, on behalf of the Party, the country and the people, to them who displayed the indefatigable spirit and the invincible combat strength of our army and the noble traits and fidelity of the Party's army by dedicating themselves with firm confidence and courage in the anti-epidemic combat field of the capital city, the key theatre decisive of the victory in the national anti-epidemic struggle.

He said that the bravery and self-sacrificing spirit shown by the medics in the capital anti-epidemic campaign was a spiritual characteristic from the exceptional loyalty of our servicepersons who know best the true heart of their commander and carry out his intention without hesitation.

Saying it was true picture of the army medics, printed in the mind of Pyongyang citizens during the sacred combat of 91 days, that they are revolutionary soldiers boundlessly faithful to our Party and sons and brothers of the people, he gave a high appreciation of the brilliant merits of the medics who displayed the militant features of our army going through thick and thin to carry out the Party's orders and reliably defended the priceless revolutionary asset of great army-people unity, the root of our society.

Noting that it is our Party's high pride and honor to have the reliable revolutionary army which has been always honorable for the sacred and glorious name, people's army, he earnestly called on all the participants to faithfully serve for our great state, Party and people and for our great dignity and honor in the future, too.

The moment **Kim Jong Un** concluded his passionate speech full of love and affection for his revolutionary soldiers, all the participants broke into enthusiastic cheers with tears of emotion in their eyes, looking up to him

who put ordinary soldiers forward as frontline medics and combat heroes and repeatedly showed benevolent affection.

He specially called and congratulated medics who performed distinguished feats in the capital anti-epidemic struggle.

He shook hands with them one by one and recognized their services. They greatly contributed to further stirring up the fine communist virtues and traits throughout the society by devoting themselves to the protection of the citizens' lives and health with absolute loyalty to the order of the Party Central Committee and unconditional love and dedication to the people.

He had a photo session with them, hoping that they who performed brilliant merits on the forefront for defending the people would continue to work faithfully as able field medics and renowned field doctors reliably defending our precious socialist country where our people live in good health free from any disease.

All the participants hardened their strong resolve to more fully display the invincible fighting strength and heroic stamina of the great **Kim Jong Un's** strong revolutionary army at every theatre of sacred struggle for national defence and the comprehensive development of Korean-style socialism, regarding his special trust and warm true heart as the most precious asset in their life and always serving the country and the people. -0-

Respected Comrade Kim Jong Un Has Photo Session with KPA Medics

Pyongyang, August 19 (KCNA) -- **Kim Jong Un**, general secretary of the Workers' Party of Korea and president of the State Affairs of the Democratic People's Republic of Korea, had a photo session of victory, to be specially recorded in the history of our Party and state, with the Korean People's Army medics at the plaza of the April 25 House of Culture on Thursday.

All the army medics were filled with deep emotion and excitement as they received a touching congratulatory speech of

the respected Comrade **Kim Jong Un**, the symbol of our ever-victorious Party and mightiness of our dignified state and the banner of all victories and glory, and would have the honor to have a significant picture, to be handed down through generations, taken with him at the historic place where the victory in the top-level emergency anti-epidemic war was declared.

When he arrived at the venue of the photo session, all the participants raised thunderous cheers of "Hurrah!", paying the highest tribute to him who performed undying great exploits to shine forever in the history of the country by shouldering the fatal national crisis in the unprecedented great turmoil and leading the grave anti-epidemic war to great victory with his rare wisdom, superhuman energy and distinguished guidance, but bestowed all laurels on our people and officers and men of the People's Army.

Kim Jong Un warmly waved back to the reliable and stout frontline medics, the combat heroes who demonstrated to the world their heroic

stamina in the top-level emergency anti-epidemic campaign for protecting the precious life and existence and future of our people.

Expressing the conviction that the brilliant merits of the detached corps members of the Party Central Committee, who defused the unprecedented health crisis in the van and devotedly defended our people's trust in the great Party and the precious tradition of army-people unity, would remain forever in the memory of the country and the people along with the history of victory in the great anti-epidemic campaign, he had a significant photo taken with them.

When the photo session was over, the thunderous cheers of "**Kim Jong Un**" and "Devotedly Defending", shouted by medics of the Party's revolutionary army, rocked heaven and earth.

All the participants hardened their firm will to fulfill their honorable mission and duty as the revolutionary army medics of the Workers' Party of Korea in the struggle for prosperity of our great state and welfare of our great people with the same spirit and stamina as they won a victory in the anti-epidemic campaign for the capital city, cherishing deeper in their mind the immutable truth that we have nothing to fear and are sure to win as there is the invincible leadership of the great Party Central Committee. -0-
