Subject: Message of support for your Seminar.

Dear comrades and friends:

I would like to send you on my behalf and on behalf of my comrades our most sincere support and solidarity on the occasion of your next African Regional Internet Seminar, "Eternal Sun".

Comrade Eternal President, His Excellency KIM IL SUNG, lives forever in the hearts of the progressive peoples of the world. Thanks to his work, wisely strengthened by His Excellency, Dear Leader KIM JONG IL, and currently continued and secured by Respected Marshal, His Excellency KIM JONG UN together with the Workers' Party of Korea, the People's Army and the courageous and laborious Korean Masses, The Democratic People's Republic of Korea stands out as the stronghold that defends socialism against imperialist capitalism. This is, Juche humanism against barbarism. That is why we will be eternally grateful to the Great Persons of Mount Paektu.

We wish you most of luck and success on this and all your activities, thanking you for making visible our emotive loving memory.

Long live the DPRK!

Long live President KIM IL SUNG, Leader KIM JONG IL and Marshal KIM JONG UN!

Thank you very much and best wishes,

Mikel Vivanko
