Paper Discussion by Comrade Newton Balenzi, Organising Secretary – Study of Juche Idea, Uganda Chapter, 14<sup>th</sup> June, 2017

At the time of marking the 53<sup>rd</sup> anniversary since Comrade Kim Jong Un, Great General of D.P.R. Korea started working at the Central Committee of the Workers' Party of Korea (WPK), I take this opportunity to salute the leadership and the people of Korea upon this historic landmark.

The exploits of Comrade Kim Jong Il has been a great determinant in transforming both the ideological setup and sovereignty of the country. It's upon this background that the notion - The Great General KIM JONG IL Is the Songun Brilliant Commander Who Smashed the Aggression and War Maneuvers of Imperialists and Made a Tremendous Contribution to the Cause of World Independence by Songun-Based Politics, is true.

The Great General Kim Jong Il was initiated into the struggle against western imperialism by the Eternal Leader Kim Il Sung who through his wise wisdom redeemed the country by the strength of Juche philosophy. Having studied the progress of the country, Comrade Kim Jong Il thought it wise and devised a new Songun policy which would defend the aspirations of the country to a super power it is now with full capacity in patriotism, science and technology.

The D.P.R. Korea is now at the center of world politico-security having survived one of the greatest renowned acts of aggression and isolation for the longest time since the US invasion. World leaders can now draw inspiration from this success. The world can now defy monopoly on technology by seeking alternative partnership from the D.P.R. Korea.

Kimilsungism-Kimjongilism (Juche) coupled with Songun are a true pillar of defending national sovereignty. This has been a great contributor to peace in the country and the region. It's on record that D.P.R.K's interests and intentions have always been towards promoting peace on the peninsular through building strong defense systems backed by nuclear weapons. Now that the country and the region is sure of peace, can defend and retaliate incase of an attack, reunification is now the next on the agenda of complete liberation.

Comrade's Kim Jong Il's selfless exploits to date continues to direct the progress of patriotism, development and sovereignty of the country. Africa continues to hold him in high esteem.

Long live the Eternal leader Kim Il Sung  
Long live the Great General Kim Jong Il  
Long live the Supreme leader Kim Jong Un
