Spokesperson for DPRK Foreign Ministry

on Golan Heights in Syria

Pyongyang, March 27 (KCNA) -- A spokesperson for the Ministry of Foreign Affairs of the Democratic People's Republic of Korea gave the following answer to a question put by KCNA on March 27 as regards the issue of the Golan Heights in Syria:

It is a global recognition that the Golan Heights is an inalienable sacred territory of Syria, and the relevant resolutions were also adopted at the United Nations Security Council and the United Nations General Assembly.

The denial of Syria's dominion over the Golan Heights is an infringement upon the sovereignty of Syria, and this could lead to further aggravating the unstable regional situation.

We extend full support and solidarity to the struggle of the Syrian government and people for taking back the occupied Golan Heights, safeguarding the country's sovereignty and achieving territorial integrity. -0-
