DPRK FM Spokesperson Denounces U.S. for Its Reckless Remarks

Pyongyang, July 23 (KCNA) -- A spokesperson for the Ministry of Foreign Affairs of the Democratic People's Republic of Korea (DPRK) gave the following answer to a question put by KCNA on July 23, as regards the fact that the deputy national security advisor of the U.S. White House branded the DPRK as a "group of criminals", talking about "cyber threat":

Her provocative remarks against our state on July 20 represent the stand of the present U.S. administration steeped in the hostility towards the DPRK.

After all, the U.S. administration has revealed the true picture of its most vile hostile policy, once covered under the veil of "dialogue with no strings attached" and "diplomatic engagement".

In a similar fashion, the DPRK will face off the U.S., the world's one and only group of criminals. -0-
